

Rosyth PSG Newsletter

Dear Rosyth Parents

Happy 2024! I hope this message finds you refreshed and ready for all the possibilities this year holds. On behalf of the Rosyth School Parent Support Group, I'm here to give you a little sneak peek into what we have planned for our community in the upcoming months.

What's Happening in 2024

This year, we're focusing on three important areas:

1. The Rosyth Connection (TRC) :

Ever wondered what a day in the life of our kids at school looks like? In January, we launched 'The Rosyth Connection', a monthly e-newsletter that will replace this quarterly update. Filled with stories, insights, and a behind-the-scenes look into our children's school days, TRC features the stories of the dedicated educators and the unsung heroes of the support staff, and will bridge the gap between home and school, so that parents feel more connected and informed.

2. Weekend Enrichment Classes:

Imagine a place where our kids can dive into their passions or discover new ones — from building robots to painting masterpieces, all in the spirit of fun and discovery. That's what our Weekend Enrichment Programmes are all about. Held right here at Rosyth School and opened to all Rosyth School students, these programmes are designed to provide students with a broad spectrum of learning opportunities beyond the traditional curriculum. Sign-up details are shared on Parents' Gateway at the start of Terms 1 and 3.

3. School Holiday Engagement:

From educational farm visits to thrilling team sports like laser tag, our holiday events are held in diverse settings to strengthen family connections and encourage the sharing of experiences and insights within our community. This month, our families had a blast learning the secrets of making dim sum. And we're just getting started! June is around the corner with another adventure that promises fun learning and unforgettable family bonding. Details to come.

We Need You

This journey is ours to share. Whether you're keen on attending events, offering feedback, or lending a helping hand, your role is vital in weaving the rich tapestry of our Rosyth family. A heartfelt thank you for your unwavering support. Let's roll up our sleeves and make 2024 a year brimming with joy, learning, and community spirit.

Fiona Chiu

President, Rosyth School Parent Support Group

2023: A Year in Review

Let's go bowling!

Our Bowling Day at Serangoon Gardens Country Club on March 14th was a striking success! Rosyth School children and their families, engaged in friendly competition at the bowling alley, with winning teams celebrating their victories with fantastic prizes. It was a memorable day of joy and community for everyone involved.

Farm day out

Our Farm Day Out at City Sprouts Henderson on June 19th was a hit with 70 students and their families! Participants tried their hands at urban farming, learned about sustainable agriculture, fed poultry, and discovered composting and aquaponics. They also enjoyed crafting their mini Vietnamese rice rolls and pancakes, and embraced the art of tie-dye, creating memorable souvenirs. What a day!

The Rosyth blitz

What a blast! The Laser Tag Challenge at FunEmpire HQ on September 8th saw 60 Rosyth School adventurers, alongside their parents, dive into 1.5 thrilling hours of heart-pumping, adrenaline-filled laser tag gameplay. The event had everyone ducking, zapping and weaving their way through obstacles as they competed for top honour.

2023: A Year in Review

Mental Wellness Week

The breakfast talk on July 28th at Rosyth School was an enlightening start to the day. Held as part of the school's mental wellness week, the session featured Joshua Koh from the Singapore Counselling Centre and author Brenda Tan, and fostered community and conversation among Rosyth parents. Kids were not forgotten as they too participated in a host of activities throughout the week designed to promote mental and physical wellness.

... and many others

Parent Involvement Programs:

- P1 Orientation
- Inter-class games
- Mathematics Escape Room
- Reading programs
- Makerspace sessions
- Children's Day
- Care Carnival
