Artificial Intelligence (A.I.)
Explorers – Powered by Thinglink
(Code: 09)

Level One
Semester 1: Interactive AI Foundations:
Exploring Smart Media Fee: \$ 650

Note:
Semester 2: Virtual Adventures: Build Your
Own Worlds

Mr Leslie 9359 9539 [technical enquiries]
Mr Nick 9018 9413 (registration)

Note:
Students have to use own laptops/tablets. Participants will be issued user accounts to access the online course work.

Level Two will be offered in 2026.
Semester 1: Game On! Make Your Own AI Games
Semester 2: AI Magic: Create Cool Mixed Reality Worlds

Level 1 (Sem 1) Sat 1030 – 1200

Young Coder Programme
(Code: 10)

A: First Step into Coding’
Fee: \$590

B: Young GameMakers’
Fee: \$610

C: Robotic Escape’
Fee: \$630* [* fee exclude mBot and Servo Expansion pack, vendor will contact successful registrants to provide more details to either buy from vendor or from outside sources. Estimated cost for 2025 is \$321]

D: Website Wizard’
Fee: \$650

Note:
Students have to use own laptops.
Roboto will assist installation of relevant software for each programme

Roboto Academy
Mr Brian 9193 8589 (technical enquiries)
Mr Nick 9018 9413 (registration)

Note:
“First Step into Coding” is a beginners class for P1 & P2 students
“Young GameMakers” is a Level 2 class for P2 to P4 students who have completed “First Step into Coding” or have some coding experience.
“Robotic Escape” is a Level 3 class for our advanced coders. It teaches mBots, a versatile tool for beginners to build & programme robots.

“Website Wizard” is a Level 4 class for our aspiring web designers. Running on HTML & CSS platforms, students learn about webpage structures and coding techniques to create their own webpage.

First Step into Coding’
Class A1 Sun 1000 – 1130

Young GameMakers’
Class B1 Sun 0830 – 1000

Robotic Escape’
Class C1 Sun 1000 – 1130

Website Wizard’
Class D1 Sun 0830 – 1000

Badminton
(code: 11)
Fee (for sessions A1-2): \$460
Fee (for session S1-2): \$610
Fee (for session K1): \$850

Coach Sun Bing 9743 2843 (technical enquiries)
Mr Nick 9018 9413 (registration)

[note: A-sessions open to all students and within each session, students are clustered by ability to achieve effective learning. S-sessions open to current S-sessions and students who have completed at least a semester of A-sessions.

Sat Classes
Session A1 0900 – 1030
Session A2 1030 – 1200
Session S1 (P3-P6) 1200 – 1400

Sun Classes
Session S2 (P3-P6) 1000 – 1200
Session K1 1200 – 1430

Taekwondo
(code: 12)
Fee (for all belt levels): \$400

Zenith Fitness
Mr Robin Chow 9006 6326
Note: Fees exclude attire and accessories

For all belt levels
Sat 1030 – 1200

Sun (beginners) 0830 – 1000

我们的**创新华文课程**内容丰富与生动有趣，孩子们可以用欢愉的心情学习华文、华语，并激发他们学习华文的兴趣和求知欲，为学好华文打好基础。

我们新添加的**戏剧表演课程**的大纲紧密配合不同年级华文口试练习与考试要求，针对学生们对三大单元（看录像说话视频短片，看图说话图片，朗读短文）的练习需要、提供丰富的口试教学与练习资源，借此提高学生的整体华文程度。

BMEC's latest Chinese enrichment course with its well-designed curriculum will provide your child with an enlivening Chinese learning experience. BMEC has incorporated the new contents built on hundreds of interesting story books to provide an enlightening Chinese learning experience. BMEC has also added speech & drama segments to allow students traverse through a spectrum of activities to boost their oral communication skills. The aim of the new course contents is to uplift students' written and oral capabilities.

English Language, Speech & Drama

Course Code: 02

The mission of our **English Language, Speech & Drama** is to encourage students to see themselves as creative writers and eloquent speakers who can express their ideas fluently and confidently in both oratorical and written forms.

Our course modules contain wide-ranging and structured pre-writing, writing and reflection activities to provide students with an expanded scope of thinking.

Students will be trained to map out their ideas, develop their storylines, and edit their syntax. Students will also be inspired to brainstorm creative ideas for various genres, such as fictional and situational writing.

We use special methodology which incorporates engaging activities and skits to improve participants' body language, voice, emotions, and speech crafting so participants will be inculcated to master the essentials of public speaking.

To register via Whatsapp: sms to 90189413 a picture of the completed registration form. Then make payment to A.R.C. Centre according to the details as shown on the last page of this Prospectus.

L1M1: Umbrella Academy

L1M2: Watch-Maker 123

This programme is a 4-module curriculum that focuses on teaching the four disciplines: **Science, Technology, Engineering and Mathematics**, and integrates them into one cohesive learning experience whilst working on real-world projects.

Students will explore science and math concepts in a creative, hands-on way by designing and building functional items like watches, umbrellas, and ear-buds. Best of all, they'll get to take home most of the products they create!

L2M1: Earbud Engineer

Coder Level	Module 1	Module 2
STEM – Level 1	Umbrella & Art Academy	Watch-Maker 123
STEM – Level 2	EarBud Engineer & Laser Engraving	Smart Carpentry & Young Architect

There are many other supplementary experiments that the students will get to do firsthand as they embark on journey of scientific discovery!

To register via Whatsapp: sms to 90189413 a picture of the completed registration form. Then make payment to A.R.C. Centre according to the details as shown on the last page of this Prospectus.

Math Olympiad Programme

Course Code: 04

Over 20 years of experience of providing Math Olympiad training with excellent track records

RECMEI is founded by Dr Chua Seng Kiat, a renowned mathematician who has served stints at Brown University and the National University of Singapore. Dr Chua has trained the Singapore National Teams for the International Mathematical Olympiad since 1994. RECMEI has produced many winners in past Math Olympiad competitions.

The objectives of this Mathematical programme are four-fold:

- To develop higher-order problem solving skills
- To stimulate creative and critical thinking in Mathematics
- To provide deeper insight on challenging Mathematics
- To prepare for Mathematical competitions

Students who obtain 80 marks (mainstream) and above in the school assessments are encouraged to sign up for the programme. Students in the GE Programme are welcome, too.

To register via Whatsapp: sms to 90189413 a picture of the completed registration form. Then make payment to A.R.C. Centre according to the details as shown on the last page of this Prospectus.

Children Art Class

Course Code: 05

Art can be a form of expression for a child's dream, emotion and feeling. Our programme is interesting, and it inculcates the essential skills to invigorate a child's creativity.

Programme Focus : Drawing & Painting, Mediums & Techniques, different syllabus each year to cater to the progressive needs of the students! For upper primary students, we cater Portfolio preparation for students who plan to apply DSA via Visual Arts.

About the Instructor : Mr Wee Che Min is a MOE registered Art Instructor who is also a NAFA Fine Arts graduate. His art classes have been conducted in many local institutions with rave reviews.

Enquiry: Mr Wee 8250 1971

To register via Whatsapp: sms to 8250 1971 a picture of the completed registration form (attached at the end of the prospectus). We shall sms you the details for internet banking.

Drawing Starter Kit: 1 set of 36 color crayon/oil pastel, 1 set of 12 color solid watercolor paint box & 6 round brushes (sizes #2, 4, 6, 8, 10,12). Students can source externally or order through us. Current bulk order price is estimated at \$35 per kit.

CHINESE MARTIAL ART

Course Code: 06

About the Chief Instructor for Chinese Martial Art course

Ms Xue Jun Hua graduated from Beijing Physical Education Institution (Martial Art). She has won many championships in competitive events like sword play and cudgel. She is a National Grade judge, and she has over 30 years of teaching experience. Many of her students have attained accolades in various international competitions, notably top placings in the annual National Inter-School Wushu Championships.

This course provides formal training in Chinese Martial Art, which helps to develop the children's mind and body. Children will be trained and selected to take part in competitive events.

Important Note: 2024 P3 students intending to join the National School Games (NSG) must choose Wushu as a CCA in the school. Otherwise, they will not be able to join the NSG. For 2024 P4-6 there will be no changes to the current processes for NSG participation in 2024.

Enquiry: Ms Ying Bing Jing 82860224 / Ms Xue Jun Hua 90903586

Course Content

- Basics of Chinese Martial Arts and martial exercises that suit children's physical growth.
- Training in sword, spear, cudgel and other weapons.

Note: New students will need to purchase Wushu attire - shirt \$20, pants \$20 and shoes \$20

To register via Whatsapp: sms to 9090 3586 a picture of the completed registration form (attached at the end of the prospectus). We shall sms you the details for internet banking.

GROUP VIOLIN CLASS

Course Code: 07

The aim of this **GROUP VIOLIN** course is to provide basic introduction with a progressive method to study the art of violin playing as a leisure activity, with a view to orchestra playing or advancing to individual lessons in the future. The curriculum is designed to encourage the development of all-round instrument skills, musical skills, ensemble skills and music theory.

After completing the beginner course (first semester – 2 terms), students will typically be able to show that they have acquired a basic technical foundation on their instrument; they will demonstrate some music interpretation through variations in dynamics and articulation, with a limited variety of pace. They will perform audibly, with a sense of enthusiasm and enjoyment and with some awareness of audience.

ABRSM Examination

ABRSM Exam will be optional for recognized progress certification.

FREE VIOLIN Promotion

We will be providing new students with new violins **free of charge** limited to this recruitment exercise only. A continuous two (2) terms contract is required.*

Enquiry : (Tel) 6100 3380

edvox
music school

For cheque payment: Make payable to "Edvox Music School SP Pte Ltd"

Dance Praxis

Course Code: 08

Ballet

The basis of this dance programme is **Classical Ballet** – a structured dance form which provides the basic foundation for many other kinds of dance. Using the CSTD Syllabi, the programme will improve posture, develop poise and coordination, and increase the attention span and musical awareness of students. Our instructors have excellent track records of competition and examination results, and they will ensure that children learn not only how to dance, but how to love dancing.

HIP HOP

Hip hop is a dance that can be performed by anyone who wants to learn. The dance is fluid and versatile when coupled with upbeat music. The physical demands of hip-hop can be quite high, so kids will get a really great cardio workout in classes! They'll be fitter, but also enjoy better balance, flexibility and coordination.

For enquiry or registration :

Whatsapp to Adeline 9771 9640 (Dance Praxis)
a picture of the completed registration form
(attached at the end of the prospectus).
We shall sms you the details for internet banking.

A.I. EXPLORERS

Course Code: 09

Artificial Intelligence (A.I.) Explorers Course

Powered by Thinglink

Unlock your creativity and dive into the exciting world of Artificial Intelligence with our **AI Explorers** course, designed for primary school students! Using ThingLink, a powerful multimedia platform, students will learn to create interactive images, videos, and virtual environments that bring their imagination to life. From building interactive stories to designing their own virtual worlds, this course offers hands-on experience with AI in a fun, engaging way, perfect for young learners.

Throughout the course, students will progress from basic multimedia creation to advanced AI-driven projects, including virtual reality tours, game creation, and mixed reality experiences. By the end of the program, they will have developed critical thinking, problem-solving, and creative skills.

Coder Level	Course Title	Subject Area
Level 1 – S1	Interactive AI Foundations: Exploring Smart Media	Interactive Media Basics
Level 1 – S2	Virtual Adventures: Build Your Own Worlds	360° Virtual Environments
Level 2 – S1	Game On! Make Your Own AI Games	Game Design Techniques
Level 2 – S2	AI Magic: Create Cool Mixed Reality Worlds	Mixed Reality Experiences

To register via Whatsapp: sms to 90189413 a picture of the completed registration form.

Course Code: 10

As featured in the CNA news, this innovative programme is suitably designed as an enrichment activity for students aged 7 to 12 as it covers multiple areas of coding.

Lessons are structured on a per-year basis and students will discover the fun of coding in a progressive manner. **Young Coder Programme** will impart code literacy in key subject areas while continually building up the student's ability to think critically, logically and creatively. Students will receive certification upon successful completion of each Coder Level.

YC-03 "Robotic Escape" was introduced in 2021 for students who had completed YC-01: First Steps as well as YC-02: Gamemakers. It utilizes a STEM educational mbot to teach hands-on creation, robotic machinery and block-based programming.

YC-04 "Website Wizard" is the newest Level being rolled out in Rosyth for 2022. Working on HTML & CSS platforms, students will learn about webpage structures & coding techniques to code their own web pages.

Coder Level	Platform	Course Title	Subject Area
YC-01 (open to P1&2)	Touch Typing & Scratch Jr	First Steps into Coding	Touch Typing and Game Design
YC-02 (open to P2 to P4)	Scratch	Young Gamemaker	Game Development
YC-03	mBOT	Robotic Escape	Robotics
YC-04	HTML / CSS	Website Wizard	Web Development

Note: participants have to bring own laptop for this course.

To register via Whatsapp: sms to 90189413 a picture of the completed registration form. Then make payment to A.R.C. Centre according to the details as shown on the last page of this Prospectus.

BADMINTON

Course Code: 11

Badminton is one of the fastest sports in the world, so players will have to be alert at all times. Children who play badminton will develop better balance and coordination as the sport promotes harmonious interaction of their mind & body.

Skills that student will acquire:

- Exercise for body coordination
- Grip and Lift: forehand & backhand
- Skills: lob & smash, drop shot, net return, etc
- Footwork (from basic to advance)
- Rules, regulations and etiquettes

About the Instructors

Coach Sun is a former China National Team player, and he has over 20 years of coaching experience. He is a former coach for the Singapore National Team and his accolades include coaching China national team in the 1990s.

Coach Shang was awarded "International Master Sportperson" 1988 by the China Olympic Council. She had coached for Hubei (China) and Sanyo (Japan) as well as Singapore teams.

To register via Whatsapp: sms to 90189413 a picture of the completed registration form. Then make payment to A.R.C. Centre according to the details as shown on the last page of this Prospectus.

Enquiry: Coach Sun Bing 9743 2843

TAEKWONDO

Course Code: 12

Taekwondo provides both fitness and mental benefits, as it unifies the body and mind.

Our lessons are tailored to your child's age and skill level. Your child begins by practising basic patterns and forms, board breaking, kicking, blocking, striking, and punching. These fundamental skills increase your child's physical coordination, flexibility, balance, and mental acumen.

Taekwondo benefits:

- enhance your child's athletic abilities and self-awareness,
- improve your child's capabilities in self-defense,
- develop discipline by heightening your physical and mental powers.

Kudos to our Rosythians for taking part and also achieving 1 Gold and 2 Bronze in the 2022 Kallang Taekwondo Poomsae Championship!

Kudos to our Rosythians for taking part and also achieving 2 Gold, 1 Silver and 3 Bronze in the 2023 Whampoa Taekwondo (Poomsae) Championship

Enquiry: Coach Robin 9006 6326

Note: New students will need to purchase Tkd attire – uniform (\$90), handmitt (\$45) **or** both uniform & handmitt (\$130). Price is subjected to change in 2025. Will update successful registrants if there are changes.

To register via Whatsapp: sms to 90189413 a picture of the completed registration form. Then make payment to A.R.C. Centre according to the details as shown on the last page of this Prospectus.

Minifootball

Course Code: 13

Minifootball is played across the globe in different versions of 5,6,7,8 aside mainly on artificial grass. It is a popular sport for millions of amateur players. The governing body of minifootball is the World Minifootball Federation (WMF).

Minifootball is adapted to suit primary students as it provides the following benefits: more player engagement and decision making, enhanced quicker skills, etc. Participants will develop the essential football skills while improving their coordination, motor skills and flexibility.

Note: New students will need to purchase football attire – 1 tee-shirt, 1 pair of shorts and 1 pair of socks for total \$60.

To register via Whatsapp: sms to 90189413 a picture of the completed registration form. Then make payment to A.R.C. Centre according to the details as shown on the last page of this Prospectus.

Organized by AMS, join this fun filled course to discover and experience this beautiful journey of football adventure!

I declare that my child has valid personal insurance coverage, and in the event that the insurance is invalid, I note that all costs related to any accidents during the enrichment programmes will be borne by the participants. I note that whilst reasonable precautions will be taken by PSG and/or its agent/s to ensure the safety of participants, I confirm and indemnify that PSG and/or its agent/s will not be held liable for any personal injury/etc, except for those caused directly by PSG's or its agent/s' gross negligence.

I have read and I agree to the terms and conditions as specified (above) and also in this Prospectus, including the Indemnity clauses.
Parent Signature : Date :

Terms and Conditions

- The programmes have limited vacancies so enrolment will be on a first-come-first-served basis.
- No cancellation/ refund is allowed upon payment. Fees paid are not transferable/pro-rated in the event of no show/absenteeism/withdrawal.
- In view of the uncertainties brought on by unforeseeable causes (e.g. Covid-19), and to resonate government directives, our programmes may switch to a combination of physical classroom setting and e-learning platforms to ensure minimum disruptions and continuity of learning.
- Photographs taken during the programmes may be posted on social media for parents/participants to download.
- The programme outline acts as a guide and providers reserve the right to make changes to the syllabus, if necessary, provided the changes do not substantially diminish the described benefits of the programmes for the participants.
- The organizers of these Weekend Enrichment classes reserve the right to not commence the courses should the number of registrants falls short of the minimum number as stipulated by the programmes. Fees paid will be fully refunded.
- Organizers of Weekend Enrichment classes reserve the right to remove course participants who are disruptive and unruly. Prorated fees of remaining lesson will be refunded.
- Parents agree to receive sms with regard to announcements about the programme matters.
- Whilst reasonable precaution will be taken, the programme providers will not be held liable for any injury or property loss occurring in the course of the events, except for such injury or damage that is caused directly by providers' or its agent(s)' breach of legal duty of care.
- Parents acknowledge and accept the inherent risks of sports activities and agree to the terms outlined below. 1. Assumption of Risk: Sports activities can be physically demanding and carry the risk of injury, including but not limited to, sprains, strains, fractures, concussions, and other injuries. Participants willingly accept and assume all such risks associated with participation. 2. Waiver of Liability: Parents, on their own behalf and on behalf of their children or wards, hereby waive, release, and discharge the PSG, its agents, employees, volunteers, and any other affiliated individuals from any and all claims, liabilities, or demands for personal injury, death, or property damage arising out of or in connection with participation in our activities. 3. Indemnification: Parents agree to indemnify and hold the PSG harmless from any and all claims, actions, suits, costs, and expenses, including legal fees, arising from or related to any injury or damage resulted during the activities. 4. Insurance Responsibility: Parents are responsible for ensuring that they and their children have adequate insurance coverage to protect against the costs of any injury or damage that may occur during participation in PSG activities.
